*Safari Blue*

# Discover the best of Zanzibar!

The Menai Bay Conservation Area, to the south of Zanzibar, is an area of outstanding natural beauty just waiting for you to discover...

## Dolphins

Admire the beauty and grace of humpback and bottlenose dolphins... we are lucky enough to see dolphins on 90% of our excursions!

## Our Boats

Cruise across the stunning turquoise waters aboard a traditional dhow, skilfully handcrafted from African mahogany. You'll also have the chance to sail in a "ngalawa" - a local outrigger canoe carved from a single mango tree.

“Safari Blue was nothing short of **AWESOME!**”

“Safari Blue was the cherry on top of our trip!”

## Sandbanks

Relax on the soft white sandbank, naturally carved by the sea, wind and waves.

# Snorkelling

The Safari Blue crew are experienced snorkelling guides and will take you to explore the pristine coral reefs, abundant with marine life.

Simply the best Zanzibar has to offer...

## Gastronomy

Taste the flavours of Zanzibar at our “desert island” restaurant – our delicious seafood buffet includes slipper lobster, fish and calamari followed by our unique tropical fruit tasting and more!

## *Natural Wonders*

Kwale island has a hidden lagoon surrounded by a mangrove forest. A swim in the lagoon is a special part of the Safari Blue day. The island also boasts a giant and unusual baobab tree – take a climb and admire the view!

We want to thank you again for the wonderful tour we made for the third time. As usual it was all perfect. We will recommend your tour to everybody who is coming to Zanzibar.

*The family had a wonderful time with Safari Blue. We all think that it's the best "day out" in the world.*

Would like to thank you for the most awesome experience. It was most certainly the highlight of our trip to Zanzibar. Anyone going to Zanzibar and not doing the Safari Blue tour has not experienced Zanzibar. The one thing that would make us come back to Zanzibar would be doing another Safari Blue tour!

*Safari Blue was fantastic! I will definitely recommend this to anyone going to Zanzibar. Thanks again for the most memorable day.*

We had an unforgettable day on the Safari Blue excursion... it was very professionally run by your beach crew and supervisor and an absolute must for anyone visiting the island.

*Compliments to the whole team for making Safari Blue so unique for all of us living in, or just visiting Tanzania.*
